Valentina Morana

Senior Business Quality Analyst · AI Model Training: Data Quality & Validation

Buenos Aires, Argentina (GMT-3)
linkedin.com/in/valentinamorana · github.com/valentinamorana · Portfolio: valentinamorana.com

PROFESSIONAL SUMMARY

Senior Business Quality Analyst specialized in AI training data quality and validation, NASSCO-certified (PACP, LACP and MACP v8). Promoted to Senior at ITpipes within 7 months, following an earlier promotion at PLS Logistics Services. 4th-year Information Systems Engineering student working with Python, C# / .NET, SQL Server and process automation (Alteryx, n8n). Bilingual Spanish–English (C2).

EXPERIENCE

ITpipes — Sep 2025 – Present

> ***Senior Business Quality Analyst*** (Apr 2026 – Present): Lead the team's quality control: define NASSCO-based validation criteria for AI training data, audit the team's work and drive continuous process improvement.

> ***Business Quality Analyst*** (Sep 2025 – Apr 2026): Validated, classified and labeled infrastructure inspection datasets against NASSCO standards, detected errors and inconsistencies in data and video for AI model training, and produced consistency, performance and results reports.

PLS Logistics Services — Jun 2024 – Aug 2025

> ***Logistics Coordinator*** (Jan 2025 – Aug 2025): Owned assigned freight loads end to end: validated carrier availability, distances and shipment data, coordinated with U.S. clients, carriers and suppliers, resolved scheduling and delivery issues, and negotiated rates.

> ***Data Operations Analyst, Track & Trace*** (Jun 2024 – Jan 2025): Monitored and analyzed real-time transport data across multiple logistics platforms, flagged anomalies and delays, and supported billing validation and operational reporting.

Bis Contact Center — Dec 2023 – Jun 2024

Health Insurance Analyst (Dec 2023 – Jun 2024): Researched and validated patient information for U.S. health insurance cases, filled in missing data and kept records accurate to support decision-making.

EDUCATION

Bachelor's Degree in Information Systems Engineering (in progress) · 4th year — 2023 – 2027 (expected)
Universidad Abierta Interamericana (UAI)

UAI Good Practices Award (Premio a las Buenas Prácticas) for a Statistical Inference project, featured on the university's academic podcast.

TECHNICAL SKILLS

- **Development:** C#, C++, .NET, Windows Forms, ASP.NET WebForms, Python (Pandas, NumPy), SQL Server, Git / GitHub
- **Process automation:** Python, Alteryx, n8n / AI agents
- **Dashboards & tracking:** Power BI, Tableau, Jira

CERTIFICATIONS & TRAINING

- NASSCO PACP, LACP & MACP (Version 8), NASSCO
- Foundations of Project Management, Google (Coursera)
- Creating AI Agents with n8n, LinkedIn Learning
- Cloud Foundations, AWS Academy
- HCIA-Security V4.0, HCIA-Datacom V1.0, HCIA-5G V2.0 and Computer Network, Huawei ICT Academy
- English: EF SET 81/100 (C2) · Cambridge B2 First, Grade A, certified at C1 level
